

Columbus Academy boasts a vibrant culture that values the arts in all forms and fosters students' creative pursuits. Starting in Pre-K, we teach our students about fine art mediums and engage them in both drama and music programs. These offerings continue through 12th grade and we are delighted to have large numbers of students singing in choir, playing in orchestra or band and also taking specialty art classes such as photography or sculpture.

In years past, we have provided advertising space in our arts playbill, which is distributed to our entire community and will be available at all of the performing arts events on campus.

Family support is fantastic, and our auditorium is full of parents, grandparents, aunts, uncles and others in the community who have learned that we can put on a good show! We are hoping you will recognize this audience as a treasure trove of consumers who will read our playbill at each performance and see your advertisement at our many shows, concerts and arts events taking place on our campus. With 1080 of our students participating in at least one arts event or program, the exposure is far-reaching.

A reply of interest to place an ad in this year's arts playbill is needed by **January 11, 2019**, to Bethany Essman (essmanb@columbusacademy.org) and Jan Anasis (jansa10@live.com). All artwork should be in PDF or JPG format.

Please review the advertising rates attached and let us know how we can help your business be noticed!

Sincerely,
Jan Anasis
